

## Lutheranch Meeting Room Fact Sheet

The McKanna-Sandrock Retreat Center at Lutheranch offers a variety of meeting spaces, from private conference rooms to casual guest lounges and outdoor gathering spaces. This Meeting Room Fact Sheet provides detailed information about each meeting space.

### Private Conference Rooms

Three private conference rooms are available of differing sizes as shown in the table below:

Room Name	Dimensions	Square Footage	Capacity (Theater Seating)	Capacity (Classroom Seating)
Barkow	30' x 35'	1050	70	45
Kate's	20' x 25'	500	30	22
Women of ELCA	20' x 20'	400	20	16

Each conference room has large windows and is individually climate controlled and equipped with a sink, refrigerator and white board. Rooms have movable tables and chairs to accommodate a variety of configurations. AV equipment and Wi-Fi is available to use free of charge.

### St. Timothy Great Room

Spacious and full of natural light, the St. Timothy Great Room has a beautiful vaulted ceiling and floor to ceiling windows overlooking the outdoor patio. Used as the dining area for overnight guests, the room can also be configured to host large group gatherings of over 100 people.

Room Name	Dimensions	Square Footage	Capacity (Theater Seating)	Capacity (Dining Seating)
St. Timothy Great Room	43' x 45'	1935	125	82

### Casual Indoor Gathering Spaces

Several informal lounge areas furnished with couches, coffee tables and comfortable chairs are located throughout the retreat center.

### Outdoor Gathering Spaces

The large outdoor patio at the retreat center is furnished with rocking chairs, picnic tables and firepits for informal gatherings. The covered front entrance area also has rocking chairs for guests to use. A screened in porch is located at the end of the main hallway on the first floor of the retreat center.

### St. Timothy Outdoor Chapel

Located a short walk from the McKanna-Sandrock Retreat Center, the St. Timothy Outdoor Chapel is an open-air amphitheater that seats up to 100 people and overlooks Lake Stender.
